

INTRODUCTION

VibroPower is a premier manufacturer and supplier of customisable power generators sets, with some two decades of track record and experience in serving customers across a broad range of industries around the world.

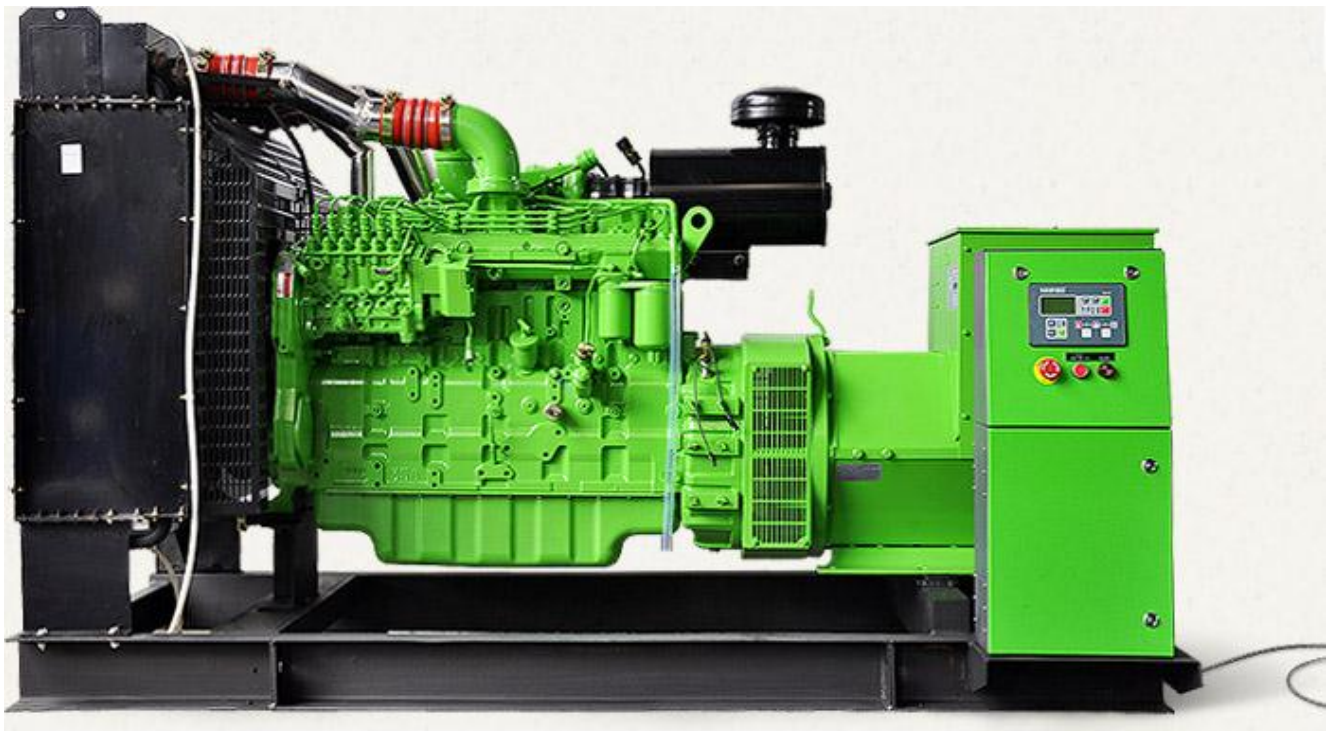

VibroPower was born **in 1995** and listed on Singapore Exchange's then SGX-SESDAQ in 2000 and promoted to the SXG Mainboard in 2006.

Headquartered in Singapore, VibroPower has established an extensive distribution network **covering some 60 countries**, thus enabling to serve customers where they may be.

PRODUCTS

Power generator sets:

1. Are semi or *fully customizable specifications*
2. Have a comprehensive range of *outputs ranging from 20KVA to 2500KVA*
3. Can be *fuelled by variety of sources* including diesel, natural gas, biomass or landfill gases
4. *Are versatile* in product dimension to suit a variety of installation needs.
